PDMP Policies and Capabilities

Data Year
 2022

The information included is from the 2010-2022 State Assessments. First, select a data year from above drop-down list, then select the criteria you wish from the drop-down lists to the right (you may choose more than one at a time), then click on the 'VIEW MAP' button to display which state(s) meet the selected criteria. The criteria boxes automatically refresh to include the available options for subsequent criteria boxes.

In most of the criteria boxes, you can select multiple items by holding down the CTRL key and clicking on another item. The map will display results if any of the selected items are present or true.

To reset the criteria boxes, click on the 'RESET CRITERIA' button.

Customized mapping of PDMP information is available upon request: www.pdmpassist.org/TTA
