Training and Technical Assistance (TTA) Provider

Institute for Intergovernmental Research (IIR)

- Tim Harwood, Project Manager
- Mary Jo Dodd, Contract Specialist, Finance/Accounting
- Terri Pate, Senior Manager

Role of Partners: To Support and Optimize Your Projects

- BJA, a component of OJP, funds the Comprehensive Opioid, Stimulant, and Substance Abuse Program (COSSAP). The drug disposal program is the latest of six COSSAP demonstration projects
- DEA administers National Prescription Drug Take Back Day, which has collected nearly 13.7 million pounds of expired, unused, and unwanted prescription medications since 2010
- IIR serves as the connecting point for COSSAP training and TTA efforts and collaborates with BJA and fellow TTA providers to work directly with COSSAP site-based grantees

Role of Partners: To Support and Optimize Your Projects

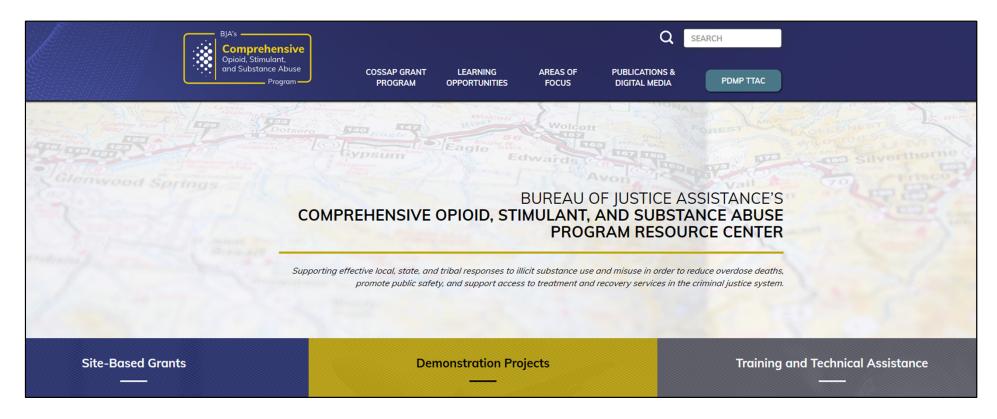

- BJA, DEA, and IIR are invested in the success of your drug disposal projects. We want to know what is working, what challenges you face, and how you navigate them, and how your work evolves over time
- We encourage you to be transparent about what you learn during the course of your projects. This will help us to identify ways to help you progress
- Regular programmatic and performance reporting, financial reporting, and budget questions will be handled by IIR staff members, who will work with BJA as needed on these issues
- Please feel free to email your IIR project manager to triage your questions if you are unclear as to whom you should direct them

Financial Reporting

• Financial reporting will be completed quarterly, <u>no later than</u> the due dates listed below:

Report Due Date	Dates Covered by the Report
July 20, 2021	April 1, 2021 – June 30, 2021
October 20, 2021	July 1, 2021 – September 30, 2021

Financial Reports

- Budget modification process
 - You must request approval for budget modifications when
 - 1. There is a change in project scope (changes to activities and/or subawards/contracts), which requires changes to the budget, or
 - 2. There is a request for significant change (moving more than 10 percent of the total award funds) in the project budget, even if the scope of the project does not change. Please provide a detailed justification for your proposed budget modification
 - The Budget Modification Cover Sheet should be downloaded from the portal, completed, and submitted through the portal with the modified version of your project budget Excel file. Details of the changes you have made to the budget and the project scope should be included in the Cover Sheet. This includes a detailed description of where the funds were moved to/from. For ease of identification of changes, please indicate the revisions in red or by highlighting in the budget
 - The budget must explicitly describe how the proposed budget items directly apply to the program design and will assist the applicant in meeting the program objectives

Financial Do's and Don'ts

- When in doubt, <u>DO</u> always ask questions
- <u>DO</u> expect that IIR will conduct financial monitoring
- <u>DO</u> submit one (1) copy of the audit package to IIR no later than thirty (30) days after receipt from the audit firm
- **<u>DO</u>** familiarize yourself with the <u>DOJ Grants Financial Guide</u>, since you are responsible for compliance with its contents
- <u>DO NOT</u> use federal funds to replace (supplant) nonfederal dollars that are appropriated for the same purpose
 - For a definition of supplanting, visit: https://ojp.gov/grants101/definitions.htm

Financial Do's and Don'ts

- <u>DO NOT</u> use project funds to support any of the following items
 - Prizes, rewards, entertainment, trinkets, or any other monetary incentives
 - Client stipends
 - Gift cards
 - Vehicle purchases
 - Food and beverages (other than travel-related and compliant with the General Services Administration travel regulations)
