

Expanding OFRs to Include Suicide Fatality Reviews

Melissa Heinen and Cat Gangi
Institute for Intergovernmental Research
www.OFRTools.org

Grant Purpose

Goals:

1. Identify missed opportunities for prevention and intervention among those who died by suicide.
2. Develop and share national suicide fatality review (SFR) guidance, tools, and TTA.

Objectives:

1. Partner with existing OFRs to establish and implement SFRs (demonstration sites).
2. Identify prevention and intervention strategies to prevent suicides.
3. Translate existing OFR tools and resources to use for SFRs.
4. Develop national SFR guidance, tools, and TTA.

Partners:

Select at least four jurisdictions to be demonstration sites representing state-, urban-, rural-, and tribal-level SFRs.

Questions?

- Do you have any questions for us about the proposed activities?
- Who is doing SFRs currently?
 - Lessons learned
- Who is interested in doing SFRs?
 - Reasons
 - Challenges
- What tools, resources, trainings, etc., would be helpful for you as you start an SFR or expand on an existing one?

Request Support

Training and Technical Assistance (TTA) Request

- Expertise is available to support your OFR & SFR efforts
- We are here to help you troubleshoot day-to-day challenges as they arise
- Submit your TTA request here

Training and Technical Assistance Request

Regardless of funding source, anyone can request OFR training and technical assistance. Expertise is available to support the expansion and development of overdose fatality review (teams) through a variety of formats, including but not limited to:

- Host one-on-one calls to troubleshoot day-to-day challenges
- Identify available resources and materials
- Connect TTA requestor to peers in the field
- Present to team or meeting attendees
- Convene professionals to address a need
- Facilitate virtual meetings and workshops
